

Documents for tax returns

Please enclose all receipts and documents for the respective tax period with your tax return:

Basically, you have to declare **the entire worldwide** income and assets at your main tax domicile (Switzerland). You must specify all foreign income and assets. For the first declaration by Dynamis Treuhand AG: dates of birth of all persons, incl. minor children.

- | | |

Comment and statements

Missing documents and informations will lead to additional clarification efforts by Dynamis Treuhand and therefore additional costs for you.

You ought to consider that we can declare only what you tell us to.

For special situations please make us a note.

Many thanks for your help.
